***Reasons for Allowance***

1. Claims 23 and 26-39 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is Matchup software, as disclosed in [URL:  
<http://web.archive.org/web/19990220025029/members.aol.com/win4sports/freedoc.html>

], last modified August 4, 1998, in view of Silverberg (U.S. Patent No. 6,216,110).

However, Applicant's arguments presented on pages 13-18 of the response filed on September 8, 2005 are deemed to be persuasive. It is the combination of features argued by Applicant that the Examiner submits are not taught or suggested by the prior art; therefore, claims 23 and 26-39 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susanna M. Diaz whose telephone number is (571) 272-6733. The examiner can normally be reached on Monday-Friday, 10 am - 6 pm.
